PAPA'S LITTLE GIRL.

An Independent's View.

A friend writes: "Do not be too severe on Hadley in the write-up of your legislative edition; but you can soak it to the House and Senate, and the people will enjoy it." We thought that the writer of the foregoing knew us too well to think we would excuse Gov. Hadley at the expense of the legislature. If the one who wrote these lines does not know it, we want him to know it now that we are not built that way. Gov. Hadley is far more to blame for the defeat of submission than all the house put together, and the people shall know it, whether they like it or not.—Kansas City Leader. (Pro).

## Our New Hair Vigor

Ayer's Hair Vigor was good, the best that was made. But Ayer's Hair Vigor, new improved formula, is better. It is the one great specific for falling hair. A new preparation in every way. New bottle. New contents. Ask your druggist to show it to you, "the new kind." Does not change the color of the hair.

As we now make our new Hair Vigor it does not have the slightest effect upon the color of the hair. You may use it freely and for any length of time without fear of changing the color. Stops falling hair. Cures dandruff. Made by the J. C. Ayer Co., Lowell, Mass.
